

Safe area - Keep all text inside this border

Trim - Outer edge of sticker

Bleed - This area will be trimmed off

Die Cut Stickers Template

1. Copy your artwork onto this template and scale it to what you are ordering.
2. Define where you want us to cut. Please use a bright green for the cut line. If your design has a full bleed, please extend it 1/8" past the cut line.
3. Convert all objects to outlines or convert all objects to a 300 dpi jpeg not including the cut line.
4. Save as a .eps or .pdf
