

 **Safe area** - Keep all text inside this border

 **Trim** - Outer edge of sticker

 **Bleed** - This area will be trimmed off

4"x6" Sticker Sheet Template

1. Copy and paste your artwork onto template.
2. Allow at least 0.25" between objects. Stickers must be at least 1"x1"
3. Define where you want us to cut. Please use a bright green for the cut line. If your design has a full bleed, please extend it 1/8" past the cut line.
4. Convert all objects to outlines or convert all objects to a 300 dpi jpeg not including the template.
5. Save as a .eps or .pdf
